General Information for Second Degree Applicants

a) Students pursuing a second undergraduate degree must complete a minimum of 30 semester hours in addition to the hours required for the first degree. The College Residency Policy requires that a minimum of 30 credits be completed at The College at Brockport. The residency requirement includes completion of at least 15 credits needed for a major and if pursuing a minor or certification program, then you must complete at least half of those credits required for the minor/certification program at Brockport also.

b) Students must fulfill all prerequisites, corequisites, and major requirements for the second-degree program and complete general education, liberal arts, and upper division requirements in effect at the date of matriculation in the second-degree program. Transfer credit may be used to fulfill these requirements.

c) All official college transcripts verifying completion of the baccalaureate degree must be on file in the Office of Undergraduate Admissions before approval into a program is granted.

d) A 2.50 GPA is required for admission to the College. Admission to selected programs including business administration, criminal justice, nursing, physical education, social work and teacher certification programs is limited to applicants who have completed the prerequisite course work and meet the minimum GPA requirements established for admission to these particular programs.

Admission to The College at Brockport is based on the qualifications of the applicant without regard to sex, race, age, color, creed, national origin or disability. I understand that this application cannot be processed if it has not been completed according to instructions and that any deliberate falsification or omission of data may result in denial of admission or dismissal. All information submitted is true to the best of my knowledge.
