5. Contact the individual who is hiring. Interview for the job. Convince them you are the best candidate. Keep in mind that thousands of our 8000+ students seek work. Be persistent if supervisors are not responsive.

The second database under the Jobs link is NACELink- the National Association of Colleges and Employers. This includes jobs for graduates, worldwide and with national corporations. It also includes jobs in the Rochester area. Staffing firms are also here and do advertise temp jobs, plus there are some internships.
