Senate Action Taken: Passed for N Code on 5/4/10 by GED Committee - Announcement to Senate on September 13th	Presidential Action:		
			Distribution: Emailed to M. Fox, Vice Provost
Notes: Note: The word "Game" in the title misleadingly suggests that this is a course dealing with video games rather than serious topics like childhood malaria. The Title should change. Also, the catalog description does not mention natural science and should.			
The Committee pass this course because we think that the syllabus and outcomes checklist show natural science content to qualify for the "N" designation.			
The committee also believes that the course title is misleading, that the CPS Dept should consider a title that doesn't include the word "game." Also, the catalog description on p 4 of 3 barely mentions natural science and ... (unreadable on our copy)
