

As part of our commitment to offering smart financial solutions to help education employees meet their individual financial objectives, ING has established an in-depth learning curriculum for faculty and staff at all stages of professional development.

Whether you are newly hired, at mid-career or nearing retirement, we have a workshop designed to address your concerns and offer valuable information.

Our commitment to the education market to provide ongoing education is second to none within the financial services industry, and in today's complex financial environment, ING is proud to serve as "The Educator's Educator."

Insurance, retirement plan funding and variable annuity products are issued by ING Life Insurance and Annuity Company, One Orange Way, Windsor CT 06095-4774, Securities are offered through ING Financial Advisers, LLC (member SIPC). C09-0828-015

Nearing Retirement/Retired

The Long Run

The earlier you begin investing the better chance you have to make it through retirement. Maybe money management is something you've always thought about, or maybe it's something you've dabbled in for quite some time. It's your money and it's got to last you for the long haul!

Monday November 16, 2009

12:00PM – 1:00PM

The College at Brockport

Room B115 Seymour Union
