NotifyLink Service-Payment Form ***NEW***

NotifyLink enables real time synchronization of mail, calendar, contacts, and task information directly to a mobile device. NotifyLink can be installed on a mobile device that utilizes broadband access via a cell phone wireless signal. It is important that you have an unlimited data package in order to avoid data usage charges by your cell phone provider (Verizon Wireless, AT&T, etc.).

Users will pay a fee of **\$120/year** to cover NotifyLink licensing costs.
 Fees will be paid via journal transfer. (Year Nov 1-Oct 31)

Please fill out this form and return it to the **Library, Information and Technology Services, Allen Admin 2nd floor** to complete your NotifyLink licensing.
 You may also fax it to: 395-5911
