Affirming Enrollment/Accepting Financial Responsibility

An enrolled student at Brockport is defined as one who has registered for courses and has accepted responsibility for payment of all associate charges. The College refers to this as *Affirming Enrollment and Accepting Financial Responsibility*. Each semester, you must indicate your commitment by affirming your enrollment online at brockport.edu on or before the affirm deadline; in doing so, you are verifying your agreement to pay all charges associated with your student account by the payment deadline (first day of class).
