Leaves of Absence at the Graduate Level

Students whose progress toward degree completion is interrupted by circumstances beyond their control may apply for up to a year's leave of absence. Application for such a leave is made to the student's department. Leaves of absence approved by the department will not be charged against the time for degree completion, as stipulated by The College at Brockport policy. If circumstances warrant, students may apply for extensions of such leaves, up to a maximum of three years in total leave time.
