

The College at
BROCKPORT
STATE UNIVERSITY OF NEW YORK

**POLICY TITLE: Time Limit for Completion of
Graduate Degree**

OVERVIEW: An explanation of the time limit for completing graduate degree requirements.

OFFICE/DEPARTMENT RESPONSIBLE: Graduate Studies

DATE UPDATED: June 2009

From the date of matriculation, graduate students have five years to complete degree requirements. An exception to this time limit allows seven years for the completion of both the Masters in Public Administration and the Masters in Mental Health Counseling. An extension to the stated time limit may be requested through the graduate program director. If an extension is granted and the requirements are not completed by the end of the extension period, the student will lose matriculated status. The student would then need to apply for readmission to enroll in graduate courses at The College at Brockport.
