If taking courses at another school and you would like financial aid from The College at Brockport and have not already transferred 64 credits from a two-year school or 90 credits from a two-year/four-year school combination, you must complete a consortium agreement form found at www.brockport.edu/finaid/pdf_files/M13_Cons_Agree_112.pdf as well as a course approval form from Academic Advisement.

The consortium agreement needs to be completed by the host institution (the school you are visiting) and returned to The College at Brockport to process. You will also need to supply a completed Course Approval Form obtained from the Office of Academic Advisement. The Course Approval Form outlines the course(s) that you are approved to take at the host institution which will transfer back to The College at Brockport.

Both the consortium agreement and course approval form must be submitted to the Financial Aid Office by the Federal Credit Census date.
