

Visit Us

Every college has its own culture and personality, and the intangibles—people, atmosphere, community. All are important aspects of deciding on a college. But to know us, you have to see the campus for yourself.

To schedule a campus tour through the Office of Undergraduate Admissions, call (585) 395-2751, email us at admit@brockport.edu, or register for a visit online.

Or, if you're interested in a graduate program and would like to meet with a Graduate Admissions Counselor and have your questions answered in person, call (585) 395-5465 or email gradadmit@brockport.edu.
