

INTRAMURAL SPORTS

It's all about the t-shirt

SUNY Brockport - Recreational Services

Information and Schedule

Fall 2005

Registration Information

All events listed are open to SUNY Brockport students, faculty and staff. Registration forms for all events are available on the Web at www.brockport.edu/recservices. Completed registration forms (and the registration fee) may be submitted to Tuttle North Room 281.

Team Events

Two options are available when registering for a team event. First, participants may register an entire team by completing a registration form and submitting it, along with the registration fee by the posted registration deadline. The second option is for participants to register as a "free-agent" by completing a free-agent form and submitting it along with the registration fee by the posted registration deadline.

Each team is required to have a representative at the designated Captain's meeting. Additionally, all free-agents must also be present at this meeting. Game schedules, rules and other important information will be distributed at the meeting. Failure to attend the meeting will result in removal from the game schedule without a refund.

Individual or Doubles Events

Participants may register for an individual or doubles event by completing a registration form and submitting it along with the registration fee (if applicable) by the posted registration deadline. If an event does not have a registration fee, participants may register over the phone by calling 395-5081.

Shortly after the posted registration deadline, registered participants will receive an e-mail detailing the event format and rules.
