

Dear Student,

This is a reminder of the 2-year residency requirement that went into effect beginning with this year's freshman class. All freshmen are required to live on campus for their first two years (4 semesters) of attendance at the College. The only exception to this requirement is for those who are commuting from the home of a parent or guardian within a 30-mile radius of the College.

Housing sign-up information for the 2012-2013 academic year will be posted on our Website at the beginning of February and may be accessed at that time at www.brockport.edu/reslife. The actual sign-up process will begin in late February.

The \$100 housing deposit may be paid in person or by phone at the Office of Student Accounts between now and 4:00pm April 12, 2012. They are located on the second floor of Rakov Center and their phone number is 585-395-2473.

If you have any questions, please email housing@brockport.edu.

Good luck on your finals and happy holidays!
