

# Mentoring Program

## Mentor Application

Thank you for your interest in serving as a mentor in the Mentoring Program. Your willingness to serve as a role model and share your knowledge and experiences to assist in the personal and professional development of a colleague is appreciated. It is only through the dedication and cooperation of staff such as yourself that the State University can achieve its plan to move into the front ranks of higher education. Please share with us the information requested below so that we may identify a protégé seeking to develop skills and knowledge in your area of expertise.
