---

1. SUNY College Transfer Course (College at which it was taken; Discipline/Number/ Title):

2. Brockport course for which equivalency is requested (Discipline/Number/Title):

3. The following criteria of eligibility must be met in order to appeal:

- The appeals process is available to all students who have been accepted or are currently enrolled at all SUNY campuses. If prior credits were earned at a SUNY institution, students can appeal the campus decision.
  
- Students who disagree with The College at Brockport's decision regarding the acceptance or placement of credit earned elsewhere in SUNY, as indicated on their Brockport Degree Audit Report (DARS) or by the Notice Award of Transfer Credit, have until the mid-point of their first semester of attendance at the College at Brockport to file an Appeal. Those continually enrolled who have earned credits elsewhere and disagree with the College at Brockport's articulation decision will likewise have the mid-point of the semester immediately following that in which the credits were earned to file their appeal.

4. Along with this cover sheet, the following information is **REQUIRED**:

- a letter outlining the reasons for the appeal
- all official final transcripts of prior college credits earned are on file with the College

- the course description and syllabus (if available) of the specific course the student has taken at another college
- [For appeals forwarded to System Administration] a copy of the Campus Response Form (see attached) from the College at Brockport with the explanation of the campus decision.

5. Brockport Local Appeal Process:

- The student filing the appeal begins the process by delivering this form and all appended documentation to the Office of Academic Advisement, which will stamp the appeal with the date received and will immediately forward the file to both the appropriate department chair and the Office of Transfer Articulation.
- The department chair will attach a copy of the syllabus from the Brockport course for which transfer credit is claimed, if one has not already been provided.
- The department chair will consider the appeal and decide to sustain or reject the appeal.
- **If the department chair sustains the appeal**, s/he simply returns the appeal material to Academic Advisement with the request that the student be given transfer equivalency credit as approved and the appealing student's DARS will be adjusted to reflect the new articulation. The student and the Office of Transfer Articulation will be so informed, and, if the chairperson has ruled that the equivalency is applicable for all students, the campus transfer articulation tables will be changed to reflect the newly established course equivalency.
- **If the department chair rejects the appeal**, s/he will attach her/his opinion in writing to the file and return it to Academic Advisement within ten business days.
- Academic Advisement will notify the student and determine whether the student wishes to appeal to the Vice Provost for Academic Affairs.
- **If the student wishes to continue the appeal**, the Vice Provost's Office will review the appeal documents; may consult with the department chairperson and the dean; and make an independent determination on the matter within an additional five business days. **If the Vice Provost supports the department's judgment against the appeal**, the student (and Offices of Transfer Articulation and Academic Advisement) will be notified in writing of this decision and no other action will be taken. The Vice Provost's decision is the final level of campus review. The student will be informed of his/her further right of appeal to SUNY System Administration.

6. SUNY System Administration Appeal Process:

- **At the student's request**, the Vice Provost will send the rejected appeal to the SUNY System Administration level by certified mail to the SUNY Provost and Vice Chancellor for Academic Affairs. The appeal will include all relevant information, including the SUNY Transfer Credits Campus Response Form.
- The Brockport campus will adhere to whatever decision on the appeal is returned from the SUNY Provost to the Brockport Vice Provost.
