New York State’s Dignity for All Student’s Act (Dignity Act) seeks to provide NYS public elementary and secondary school students with a safe, supportive environment free from discrimination, intimidation, taunting, harassment, and bullying on school property, a school bus and/or at a school function. The Student Support Services Center is an approved New York State provider of this training and is partnering with The College of Brockport, SUNY to provide this training to Brockport candidates.

The training pro-actively addresses the social patterns of harassment, bullying and discrimination. It is carefully designed to provide participants with the knowledge and skills to create and support an affirming educational environment for all students through addressing school culture and climate. It also includes the identification and mitigation of harassment, bullying and discrimination; and strategies for effectively addressing of the problems of exclusion, bias and aggression in educational settings.

The 6-hour training consists of two parts: Part 1 is a 3-hour online training with accompanying assessment. Part 2 is a 3-hour in-person training.
