DESTINATION: SUNSHINE COAST, AUSTRALIA

Student Teaching candidates Maleda Funk (Physical Education) and Shanley Richards (Adolescence Inclusive Biology Generalist) participated in the first of three webinars as part of the application and orientation process for student teaching in Australia. They will join student teaching candidates from other SUNY colleges (Cortland, New Paltz, Oneonta and Potsdam) from June until September to learn about Australian culture, the Outback, and Education Queensland’s school system, in addition to completing a student teaching placement in one of the excellent schools on the Sunshine Coast. Good on ya, Maleda and Shanley!
