Hello MPA Community!

We have one semester under our belts at our beautiful Brockport Downtown facility. I hope the Spring semester is going well for all.

As many of you know, our MPA program is accredited by the Network of Schools of Public Policy, Affairs, and Administration (NASPAA). NASPAA is the recognized global accreditor of MPA programs and ensures excellence in education and training for public service. We are now going through reaccreditation with NASPAA and recently welcomed site visitors from NASPAA to share our success stories and receive critical input from the industry leader.

In this edition, you will see information on the International City/County Management Association Student Chapter, the Executive MPA Advisory Board (we’re always looking for a few more members, so let me know if you are interested), and a warm welcome to a new class of MPA students. We hope that this newsletter provides you with a rich variety of news and information.

Best,

Dr. Wendy Wright
Interim Chair
Department of Public Administration

Student Spotlight

Shanelle Hodge

Hometown: Staten Island, NY
Program: MPA
Undergraduate College and Major: Healthcare Administration & Biology
Expected Graduation Date: May 2019
Current Occupation(s):
Brockport Downtown, Graduate Assistant—As a graduate assistant I support the operations of Brockport Downtown to cultivate a positive learning environment. I act as a student liaison for all departments located downtown and provide support and resources to students, faculty and staff. I also ensure the proper use of Brockport Downtown’s budget, which is provided through BSG by the student activity fee.
Center for Governmental Research, Fellow—As a fellow I work with a multi-disciplinary team to deliver strategic analysis and management guidance through impactful research to address the most critical issues that local communities face.

How and why did you decide to apply for The College at Brockport MPA program?
I was encouraged to apply for this program by Vice Provost, Dr. Eileen Daniel and Associate Dean, Dr. Celia Watt. These two women inspired me to continue my education in administration and pursue a career of service in the public sector. Initially, I was solely interested in the Health Care Management emphasis, but later I decided to obtain the certificate in Nonprofit Management as well.

What have you enjoyed most about the program so far?
I enjoy collaboration with students of different educational and professional backgrounds. I work well with others and have learned from students of various ages, cultural backgrounds and learning styles. I also appreciate the support of the faculty in the program.

What are your future goals?
Following the completion of this program I plan to pursue a PhD in public administration. Professionally, I intend to work collectively in the community to support youth and mental hygiene. I hope to start my own nonprofit organization to provide children with shoes in undeveloped countries.

Anything else you want to share:
My experience in this program has been gratifying thus far. I have had the opportunity to network with professionals that have transformed their communities. These connections are imperative to my growth and success in this field and I would not have been able to do so without the direction and motivation of the amazing faculty members within the department of public administration.

Emidio Maiorani

Hometown: Rochester, NY
Program: MPA
Undergraduate College and Major: St. John Fisher College, B.S. Accounting
Expected Graduation Date: May 2019
Current Occupation:
Academic Support Specialist at Monroe Community College—As an Academic Support Specialist I provide educational support to students, provide academic advisement, and provide academic coaching support to transitional and international students.

How and why did you decide to apply for The College at Brockport MPA program?
I was in the B.S. Social Work Program and decided to use my Accounting/Business background as a foundation for Graduate studies.

What have you enjoyed most about the program so far?
Most of the classes provide practical knowledge about public administration job functions that can be applied to my professional position.

What are your future goals?
To obtain a director’s position in the academic support division of a college/university.

To nominate a student for the Student Spotlight, please contact Dr. Wright: wwright@brockport.edu

Student Steering Committee

Do you have any questions/ concerns regarding the MPA program? The Student Steering Committee would love to hear them! This Committee is a virtual platform for MPA students to share feedback about or launch ideas for the Department of Public Administration. Use this link (also found on our webpage) to share your concerns and questions. Your feedback will be sent to the officers of the Student Steering Committee. Contact Patrick Coyle, for more information at pcoyl1@brockport.edu

Pi Alpha Alpha

The Pi Alpha Alpha Global Honor Society for Public Affairs and Administration (PAA) recognizes outstanding undergraduate as well as graduate students in public administration, public policy, and public affairs. Enrolled Brockport MPA students are eligible for membership upon earning at least 21 graduate level credit hours and a 3.70 cumulative GPA.

Your local Brockport Chapter offers these benefits:
- Professional networking opportunities in the Greater Rochester area
- Opportunities to enrich the MPA program at Brockport through civic engagement, volunteering, educational programs, and involvement in MPA events & activities
- The ability to hold a PAA Brockport Chapter Executive Office position

- Terrance Bellnier, CEO, Geriatric Pharmacotherapy Institute, Inc.
Meet our Graduate Assistants!

Aaliyah Johnson

I graduated from SUNY Brockport with a Bachelor’s degree in science, and decided to continue my education at Brockport because of the opportunities and resources that the institution provided me with. I am currently a first year MPA student on the general emphasis 2 year track, looking to get into poverty studies for my concentration. Ultimately my career goal is to obtain a position as a Chief Diversity Officer at a higher education institution so that I can effectively implement policies and programs which display cultural awareness and competency towards marginalized groups and their respective causes.

Kim Ross

This is my third semester in the MPA program. I am currently the Arts Administration Intern for Lyric Theatre. My professional experiences have included business ownership in graphic communications, a leadership role in the non-profit sector, and various roles in higher education. I know the MPA program will help me develop stronger, sharper leadership skills and a clearer professional outlook. I especially appreciate the networking opportunities provided to me as a student and Graduate Assistant. Upon completing my MPA, I will pursue a career in arts administration, either in a non-profit or higher education setting.

Dawn Footer

I consider myself an interdisciplinary scholar. I received my M.S. in Accounting from Brockport in May 2018, while concurrently working on the MPA. The two degree areas mesh well for me, as my interests are in managerial accounting and public finance. Being a part of the MPA program has opened doors to professional networking opportunities that aren’t available to students simply pursuing an accounting degree. In the Fall of 2017 I co-authored a paper with fellow MPA candidate, Hannah Smith. It was submitted and accepted for presentation at the Spring 2018 APPAM Conference. The experience, as well as the support and encouragement we received from the MPA faculty, was amazing. I will be completing the MPA in May 2019.

Patrick Coyle

I graduated from Brockport with a BS in Marketing in 2015 and spent three years working in business-to-business telecom sales before deciding to go back to school. I am very passionate about the social safety net and would like to devote my career to trying to help people escape generational, cyclical poverty. I am currently in my second semester in the city and county management program and am really looking forward to working with all the incredibly accomplished faculty members we have in the department.

Envision Our Mission

Thank you to all the students who participated in the Envision Our Mission Challenge! We had over 50 entries to our challenge asking you to explain what the PAD mission means to you and the community in three words or less.

The language that students used to describe the mission was uplifting and powerful. The graphic below represents the words of our students.

The mission of the Master of Public Administration Program, College at Brockport, is to prepare future community leaders and managers in State and Municipal Management, Health Care Management, Public Safety Management, Nonprofit Management, and Poverty Alleviation Efforts.
