Visiting Graduate Student Consortium Agreement Information Sheet

The Consortium Agreement allows graduate students to receive financial aid from The College at Brockport for graduate courses taken at another school (host institution). The credits you take at the host institution are added to the credit hours you are registered for at The College at Brockport. For example, in fall 2018, if you take 6 credits at The College at Brockport and 6 credits at a host institution, we will consider you to be enrolled in 12 credit hours for financial aid. Any such courses taken during a winter or intersession term will be added to the spring semester.

Please read prior to completing this form:

- You are allowed to transfer in a maximum of up to 12 graduate course credits with department approval from other accredited schools. If you've already transferred in the maximum number of credit hours, your Consortium Agreement will not be processed.
- If attending another SUNY institution, you should not complete this form. Please complete a cross registration request at www.suny.edu/crossregister.
- You'll need to get part II of this form completed by your academic department and The Center for Graduate Studies at The College at Brockport. The courses listed on the form must match the courses you are registered for at the host institution.
- If attending SummerSession, a separate Brockport financial aid application is required and can be found in the Forms Center at: <http://www.brockport.edu/finaid>.
- If studying abroad, we will need an official letter stating that you are accepted into the study abroad program and an itemized budget sheet showing the cost of the program.
- If you'd like to receive federal student aid, please make sure your Free Application for Federal Student Aid (FAFSA) is completed and all financial aid requirements are satisfied.

The Consortium Agreement deadline for each semester is immediately after the end of the late drop period. For summer, it is July 15.

Late and/or incomplete Consortium Agreements will not be processed. It is the student's responsibility to ensure timely completion of this form. Please contact The College at Brockport Financial Aid Office if you have any questions.
