

**FINANCIAL AID PACKAGING
2016-2017**

DRAFT 3

Packaging is the term used to describe the method of awarding different types of assistance. A student's financial aid package may often be a combination of scholarships and grants, loans and employment. When determining the type and amount of assistance to be awarded by the Financial Aid Office at The College at Brockport, the below calculations will be used:

Package Components

Need will be met by the below aid sources in the indicated order.

1. Federal PELL Grant
2. NYS Tuition Assistance Program (TAP)
3. SUNY Tuition Credit
4. Brockport funded scholarships
5. Other grants and/or scholarships
6. If junior or senior nursing student, a Federal Nursing Loan will be awarded. The minimum award will be \$500 and the maximum will be \$5,200. The amount of the award will be rounded down to the nearest \$100.
7. TEACH Grant/Loan of up to \$3728 (through 9/30/15) will be awarded to those eligible students.
8. Federal Direct Subsidized Stafford Loans – A loan up to the below maximums:

Year 1	\$ 3,500
Year 2	4,500
Year 3-5	5,500

Note: VA Benefits and Americorps awards should not be considered as other aid resources when calculating Federal Stafford Loan eligibility.

9. For returning students who have utilized Federal Work-Study program in the prior year and are again requesting Federal College Work-Study, they will be given an award of \$2,500 until the available funds are exhausted.
10. Federal Direct Unsubsidized Stafford Loan – If the student has not received their full eligibility in Federal Direct Subsidized Stafford Loans, they may receive the difference in the Federal Direct Unsubsidized Loan as long as their total cost of education or budget is not yet met.
11. Up to an additional \$2,000 Federal Direct Unsubsidized Loan for undergraduates as per federal regulations, effective July 1, 2008, will be awarded.
12. Federal Direct Unsubsidized Stafford Loan* (Independent Students) – Additional Federal Unsubsidized Stafford Loan funds may be granted to the student up to the total cost of education up to the following limits:

Year 1 or 2	\$ 4,000
Year 3 to 5	5,000

Graduate	20,500

13. Federal College Work Study \$2,500. All students will receive it if requested on the FAFSA and funds remain available.
14. A \$2,500 unmet need factor will be given to those students not receiving Federal College Work-Study. (Will not be reflected on award letter)
15. The minimum Federal Perkins Loan award will be \$1,000 and the maximum will be \$2,500 for first-year students. For all other student's, excluding junior and senior nursing students, the award will be \$1,000. The student must not have an expected family contribution higher than \$6,000. To be awarded as long as funding remains available.

Priority is given to awarding Federal Perkins Loan during the regular academic year. It may also be awarded for summer study if there is sufficient funding and on a case-by-case exceptional basis.

Note: The packaging program must not allow someone who has not attained junior status to exceed \$1,000 in Federal Perkins Loan. It must also ensure that total Federal Perkins Loans for an undergraduate do not exceed \$27,500.

16. Federal Supplemental Educational Opportunity Grant (SEOG) – \$900 if Expected Family Contribution less than or equal to \$1,000 and an unmet need of at least \$4,000. Note: Must be Federal PELL recipient. A maximum of 20% of available Federal SEOG funds will be spent in this category up to the deadline of May 1 as long as funds remain available.

Priority is given to awarding Federal SEOG during the regular academic year. It may also be awarded for summer study if there is sufficient funding and on a case-by-case exceptional basis.

17. New York State University Student Assistance Program (SUSTA) – A SUSTA award of \$500 (\$250 maximum per semester) may be awarded to those first and second year students who meet the New York residency and income eligibility requirements for TAP and an unmet need greater than \$8,000.

AID PACKAGING EXAMPLE

The following hypothetical example shows how aid eligibility is calculated. The component amounts will vary each year based on the total available funds and the aggregate demonstrated need of all students. Any remaining or unmet need may be met via the Federal Direct Stafford Loan programs.

COST OF ATTENDANCE (YEAR 1)	\$23,000
FAMILY CONTRIBUTION FROM FAFSA	- 0
DEMONSTRATED NEED	\$23,000
Federal PELL Grant	\$5,730

Federal Direct Unsubsidized Loan	2,000
Employment Federal CWSP	0

- 2) employment during the summer and/or academic year, and/or
- 3) obtaining aid from outside sources.
