

Textbooks on Library Reserve – Spring 2018

Textbooks for highly enrolled courses are available for two-hour loan in Drake Library through partnership with Friends of Drake Library.

Some of the most widely-used textbooks will be available for two-hour loan from Drake Memorial Library this Spring.

Textbook loans are limited to in-library use; they do not include supplementary online access. The program assists those who need short-term access to a print textbook. Twenty-one textbooks will be available from the Library Circulation desk with current student ID. The selected texts are valued at nearly \$3000.

The library will also accept donations of faculty desk copies of currently used texts to put on reserve for other courses. Contact jsmather@brockport.edu if you have texts for donation.

Thank you for helping to get the word out about this library service!
