Disability Role Model

YAYOI KUSAMA

March 10th, 2020
5:30 pm—7:30 pm

This workshop will introduce you to
the ART and Life of Japanese Artist
Yayoi Kusama*.

Join Damita Peace as we explore this
incredible role model. Kusama is a
champion for people with mental
disabilities. Despite living in a mental
institution, Kusama has
become an icon of pop art. Through examining
images, film clips and
discussion, participants
will see how her trauma,
hallucinations, and
quest for love and peace
have formed the world-
famous style
that has rocked
the art world.
