We realize that holding a job while attending The College at Brockport may be necessary for you to finance your education and advance toward your career goals. The Office of Student Employment advertises on-campus jobs for both College departments/offices as well as area employers. Each year, more than 2,100 students find employment through Student Employment at Brockport.

Follow these six easy steps to navigate the student employment hiring process:

1. Jobs are available for students with or without Federal Work-Study aid. Have you been awarded Federal Work-Study in your financial aid package? You may view your financial aid package to determine if you are eligible for Federal Work-Study by signing on to Web Banner at [https://banwebssl.cis.brockport.edu](https://banwebssl.cis.brockport.edu). If you have not been awarded Federal Work-Study, you can still work on campus. Two-thirds of our student employees at The College at Brockport are hired using Non Work-Study funds each year. Once you determine if you have been awarded Federal Work-Study or not, you will then be able to search for the appropriate on campus jobs.

2. Jobs are advertised two different ways. All on-campus jobs are advertised on Eagle Connect, an online database of on-campus, off-campus, internships, and full and part-time jobs. Students can search for both Federal Work-Study and Non Work-Study jobs. Brockport Auxiliary Services Corporation (BASC), which runs our campus dining services is one of our largest employers on campus. Visit [http://basc1.org/work/student-employment/working-for-basc](http://basc1.org/work/student-employment/working-for-basc) to learn about jobs with BASC. Logon to Eagle Connect today at [www.brockport.edu/career](http://www.brockport.edu/career) and begin your job search.

3. Once you have completed your job search contact those jobs of interest. There is no central application form — you must contact each of the individual postings to apply. Most employers will set up an interview, but some may ask for a résumé or an application form. Be patient if you do not hear right away; supervisors must consider many applicants with varying qualifications and schedules.

4. After interviewing and being hired by a department on campus your supervisor will provide you with a Referral Form. You must bring this form to the Office of Student Employment to become authorized to work on campus. The Referral Form identifies the student employee, account code, hiring department, employment start date, supervisor, and pay rate.

5. Once you have provided the Referral Form from your hiring department, we must check that you are eligible to work. To work on campus students must provide The College at Brockport with original documents that establish their (personal identity) and (eligibility) to work in the United States. These documents will be used to complete the I-9 and tax forms required by federal and state law. All I-9s and tax forms are to be completed in Student Employment BEFORE you begin working. You may choose from the List of Acceptable Documents (on the reverse side) or you can view the list online at [www.brockport.edu/career01/AcceptableDocs.pdf](http://www.brockport.edu/career01/AcceptableDocs.pdf) to determine which forms of identification you would like to provide to become authorized to work on campus. These documents must be original. We cannot accept photocopies or faxes and the documents cannot be expired.

6. Once you are authorized to work by Student Employment, you can establish a work schedule with your supervisor and begin working. We encourage you to print a payroll calendar for a schedule of pay periods, timesheet due dates and paydays. This will help you keep track of what timesheets you have submitted and that you have been paid accordingly. You can obtain a payroll calendar online at [www.brockport.edu/career01/calendar.htm](http://www.brockport.edu/career01/calendar.htm).

Let us know if you have any questions or concerns. The Office of Student Employment is always here to assist you.
