CHANGES IN THE PARKING PROGRAM

1. The semi-circular drive at the front entrance of the Fine Arts Building be marked for "10-minute parallel standing only."
2. The semi-circular drive opposite the Fine Arts Building be marked for parallel parking.
3. The interim arrangement by Dr. Cameron in Lot 4, to allow commuter parking in our sector, seems to be satisfactory and should be continued, but faculty should continue to be allowed to park in any "A" lots.
4. Article N, Section 1, be retained as it is in the regulations.
5. Section 4 - 9 be eliminated from the regulations. This states that "If the motor vehicle is not maintained in good mechanical condition... etc."
6. Article O - Penalties, Sections 1, 2, 3, 4, should be retained as it is in the regulations.
7. Article O - Section 6 should be re-worded to read: "Individuals parking on campus without obtaining a parking sticker will be fined ten dollars. However, faculty, staff, and students will be allowed one week's grace period after the beginning of each semester."
