Proposed Policy for Transfer of A.S. Degrees

It is proposed that State University College at Brockport accept the Associate of Science (A.S.) Degree on the same basis that we accept the Associate of Arts (A.A.) Degree provided the college from which the student transfers will certify that at least 50% of the hours completed for the A.S. degree are in liberal arts and science. The sending institution shall certify this for each student making application to Brockport.

*This policy shall apply to those Associate Degree granting institutions which cooperate with State University College at Brockport by keeping on file at Brockport an updated and current distribution of required courses for their A.S. degree.
