"I" (Incomplete) Grades

An "I" grade must be removed no later than mid-semester of the next succeeding semester unless an extension is granted by the faculty member.

An "I" grade becomes an "E" grade unless otherwise changed or unless a written extension has been presented by the instructor of the course. All "I" grades recorded on the student's transcript must be accompanied by a statement detailing the work to be completed prior to the removal of the "I" grade.

* Summer sessions are not considered regular academic semesters for the purpose of making up "I" grades.
