THEREFORE RESOLVED that whenever there is an offer of appointment to a non-teaching position which may also result in the conferring of academic rank (and/or tenure) on the appointee, the Faculty of the appropriate department shall determine whether such rank (and/or tenure) shall be offered. Should the non-teaching position be offered to the applicant, but the department does not recommend the granting of academic rank (and/or tenure), the individual may be appointed to the non-teaching position but not to an academic rank (and/or tenure).
