For the Senate
EDP Probation and Dismissal Policy

This policy presumes that all entering EOP students, as all other entering Brockport students, will have had diagnostic testing and been placed in the appropriate Core Communications courses as per the resolution passed (Spring 1974) by the Brockport Faculty Senate.

I. For EOP Freshmen Students

1. A student whose cumulative index falls below 2.0 at the end of the semester in which the index is earned will be placed on Academic Probation.

2. A student on probation will be required to complete a program (i.e. testing and remediation) within the appropriate college agency or agencies as designated by the Director of EOP.

3. A student on probation must meet individually with her/his counselor. The counselor and student, together, will determine how regularly such meetings will occur. (A minimum requirement for a student on probation will be five [5] times per semester.)

4. A student on probation may not enroll for more than 12 semester credit hours unless approved by the Office of the Vice President for Instruction and Curriculum on the recommendation of the Office of Academic Advisement and the Director of EOP.

5. A student, who has earned fewer than 24 credits, whose cumulative index falls below 2.0 at the end of her/his first probationary semester in which the index is earned will be placed on a second probation and will be required to meet with her/his counselor to determine the need for additional counselor contact and/or additional assistance from the agency as designated by the Director of EOP. If such a student's index is still below 2.0 at the end of the second probationary period, she/he will be recommended for dismissal from the College.

6. Any student who does not successfully complete at least six credits (i.e. the six credits will not include I's, E's, or W's) per semester during the first two semesters will be recommended for dismissal from the College.

7. Any student whose total Brockport College attendance time does not surpass two (2) semesters will not be dismissed, although the Director of the EOP may use her/his discretion in this matter. The periods of probation which occurred prior to the completion of two (2) semesters will not count against the student. The factors which the Director may invoke at her/his discretion are: student absenteeism, failure to meet with the counselor, failure to complete Learning Skills Center programs, failure to meet course requirements, excessive incompletes, or withdrawals from courses, etc.
II. EOP Freshman Exoneration Clause

1. All grades of "D" received during the first two semesters (or 24 credits whichever occurs first) may be changed to satisfactory (S) on the recommendation of the EOP Director with permission of the instructor. The credits earned for these "D's" will be credited towards graduation and Core where applicable.

2. Quality Points will not be carried forward.

3. All grades of "E" received during the first two semesters or 24 credits, will be dropped.

III. For EOP Students who have earned more than 24 credits

1. A student (excluding those who have earned fewer than 24 credits) whose cumulative index falls below 2.0 at the end of the probationary semester in which the index is earned will be dismissed from the College.

2. A student on probation who has passed more than 24, but fewer than 54 credits, will be required to enroll in at least one, but no more than three, Core Courses if the Core has not been completed heretofore.

IV. For Upper Division EOP Students

Any EOP student who successfully completes 54 credits will be automatically placed under the College's Academic Policy and be subject to any sanctions which fall therein, although such students will be eligible for EOP assistance (e.g. tutoring, counseling, financial assistance, etc.). The student will be notified, by letter, from the Vice President of Instruction and Curriculum of her/his change in status.

V. For All EOP Students

Any student who fails to adhere to the terms of the EOP Academic Probation/Dismissal Policy will be recommended for dismissal from the College.

VI. EOP Re-instatement Policy

The Re-instatement Policy will follow traditional College procedure.
