Agenda Item VI. E.  

Resolution on Admissions  

WHEREAS, the number of admissions applications and the proportion of student acceptances at this College appears to be sharply at variance with the trend within SUNY generally;  

WHEREAS, there exists within the Faculty a great deal of uncertainty and a lack of information about the procedures, strategies, standards, and results within the admissions area;  

WHEREAS, the professional future of the Faculty is directly affected by the success or failure of the Admissions effort;  

BE IT RESOLVED THAT this body calls upon the President of the College to urge that the admissions staff share with the President of the Senate and the standing Committee on Admissions all relevant information concerning admissions trends and projections, beginning in September of every year;  

BE IT FURTHER RESOLVED THAT this body calls upon the Faculty-at-Large to voluntarily participate in the direct recruitment of eligible students throughout the academic year, by telephone, letter, or other appropriate means.
