Resolution on the Relationship
Between the Committee on Research Policies and Procedures
and the Institutional Review Board

Whereas the Senate Committee on Research Policies and Procedures has reviewed
the College's Assurance of Compliance with Human Subject Research Regulations,
and recognizes the necessity of the policy and procedures described in the
document, and

Whereas the committee perceives a need to ensure communication between the
and the Faculty-at-large regarding developments in this area,

Therefore be it resolved:

(1) that one I.R.B. member should serve as a member of the Senate
Committee on Research Policies and Procedures (a Senator or a
non-Senator), and

(2) all copy of the minutes of all I.R.B. meetings should routinely be
sent to the chairperson of the same Senate committee.
