Introduction

The Sports Management Concentration is designed to prepare students for a career in the management of sports in profit and non-profit organizations. Graduates will have a good foundation in administrative theory and practical experience by working in a sports organization.

A Brief Description

The Sports Management Concentration includes a core of 15 credits plus 12 credits of cognate courses depending on their choice of special professional interests. Cognate courses are taken from business administration, special communications, recreation and/or public administration courses offered on campus. Each student at Brockport must complete the college's general education requirements, an academic major and the Sports Management Concentration.

Internship

Students must apply for internship experiences. Acceptance of internship experiences will be based upon criteria established within the Sports Management Program. Such criteria will be in accordance with the Professional Studies Unit and with the SUNY at Brockport Policies. The internship will require the equivalent of one-half of a semester or one semester working half-time. This requirement may be met by interning an equivalent amount of time during the summer. Students must be prepared to meet all expenses of transportation and living cost while they are interning.
