Revised Program

CONCENTRATION IN COACHING ATHLETICS
(NON-PHYSICAL EDUCATION MAJORS)

The regulations of the Commissioner of Education of the New York State Education Department now require that individuals who coach an inter-school athletic team must complete an approved program for coaches within three years of their employment. (A valid first aid certificate is required for initial employment.)

The Brockport coaching concentration fulfills this requirement and also provides the opportunity to acquire a greater depth in preparation for coaching in schools or in sports clubs, community programs, colleges or other athletic organizations.

Students who wish to coach, but do not wish to be certified teachers in physical education, may be certified coaches in New York State by completing the following courses:

PEP 351 Coaching Sports 3 hours
PEP 352 Conditioning Programs in Athletics 1 hour *
PEP 343 Teaching Clinic 1 hour
PEP 354 Coaching Practicum 2 hours
HLS 211 First Aid (or First Aid Certification) 2 hours

* Students may substitute PHE 320 for PEP 352. PEP 352 must be taken concurrently with PEP 351.
