Guidelines for Awarding of Graduate and Teaching Assistantships

1. The primary responsibility for recommendation of candidates for Graduate and Teaching Assistantships rests with the department or program in which the GA/TA is assigned.

2. The department or program will determine required qualifications and screen applicants for the tasks to be assigned following appropriate affirmative action procedures.

3. The GA/TA must be matriculated in a graduate program and must have applied for TAP in order to be eligible for the Assistantship and tuition waiver.

4. Recommendation for a GA/TA is made by the department/program through the dean to the Vice President of Academic Affairs.

5. The Vice President of Academic Affairs awards the GA/TA.

6. The department or program will evaluate the performance of the GA/TA at the end of the first year. The criteria for evaluation will vary according to the discipline and the tasks assigned. The department/program will recommend renewal or non-renewal for a second year. Normally the award will not exceed two years.
