UNDERGRADUATE CURRICULUM COMMITTEE
Proposal to deactivate the Interdisciplinary Program in Scientific Writing

Since there is neither staff available in the English Department nor interest in the Program on the part of the Earth Sciences Department, our Committee proposes that the Interdisciplinary Program in Scientific Writing be deactivated.

RATIONALE
Unlike De-registration, Deactivation ensures that, in the future if departments wish to reinstate the Program, lengthy negotiations with S.U.N.Y. Central will not be required.
