by the Budget Committee of the Faculty Senate
February 27, 1995

WHEREAS, the Board of Trustees of the State University of New York has charged the faculty of each college with "the obligation to participate significantly in the initiation, development and implementation of the educational program;" and

WHEREAS, the Bylaws of the Faculty of SUNY Brockport state that the faculty, as represented by the Faculty Senate, "shall have the obligation to participate significantly in the initiation, development and implementation of the educational program of the College, including primary responsibility for curricular development, admissions and scholarship standards, and the academic, professional and physical environment of the College;" and

WHEREAS, the implementation of the educational program of the College cannot be contemplated in isolation from the issue of the funding that supports the faculty, the staff, the administration, the physical plant, and all associated operating costs; and

WHEREAS, the Faculty Senate has consistently expressed its determination to play a significant role in the governance of this institution, being the voice of the faculty to the Chief Administrative Officer of the College, and through him, to the College Council, the Chancellor, and the Board of Trustees;

THEREFORE, BE IT RESOLVED that the Faculty Senate hereby re-affirms its responsibility and commitment to represent the faculty in all institutional decisions that are the Senate's responsibility as defined in the Board of Trustees policies and the Faculty Senate Bylaws, and, in view of the clear relationship between programs and resources, hereby affirms its obligation to participate in discussion concerning the allocation of resources.
