MOTION ON THE ECONOMICS MAJOR

Undergraduate Curriculum Committee

Whereas,

The Economics major was previously approved by the Faculty Senate;

Whereas,

Economics is a fundamental part of a liberal education;

Whereas,

Economics had 16 first majors and 16 second majors in Fall 1995;

Whereas,

All courses needed for the major in Economics are still taught;

Whereas,

The Economics major imposes no additional workload on the Department;

Whereas,

The Department of Business and Economics was not adequately consulted before this major was eliminated;

Therefore be it resolved: That the College reinstate the Economics Major.

(Unanimously approved by the Committee at its 3/1/96 meeting.)
