Special Resolution of Appreciation to the Presidential Search Committee

Whereas the Presidential Search Committee worked with extraordinary diligence and energy to find the best possible candidates for the Presidency of the College, and

Whereas the Committee succeeded in attracting to the campus a number of superbly qualified candidates, and

Whereas the Committee made it possible for all members of the College community to observe and to speak with the finalists at open meetings, and to share their views about the finalists with members of the Committee, and

Whereas the Committee’s work exhibited service to the College in the best sense and of the biggest order;

Therefore be it resolved that the Faculty Senate of the State University of New York College at Brockport thanks all members of the Presidential Search Committee, the Committee Chair, David L. Hoffberg, and the Committee Vice Chair, Anne H. Parsons, for the highly effective, responsible, and dedicated manner in which they fulfilled their charge.
