Faculty Senate Environment Committee
Resolution on Illegal Postings

Whereas the new pedestrian bridge is an architectural gem that presents a broad and beautiful vista of the campus to passersby;

Whereas use of the bridge, and especially of its windows, as a kiosk for posting notices obscures the view and creates an eyesore of clutter, as similar use does on hallways, trees, and other surfaces not intended for display of notices;

Whereas such use is prohibited by College policy and posting notices on the pedestrian bridge and other surfaces not intended for display, is in direct violation of that policy; and

Whereas specially created and designated kiosks already exist throughout the campus for the posting of notices, as well as on bulletin boards in Seymour College Union;

Be it resolved that the Faculty Senate of the State University of New York College at Brockport encourages the immediate and ongoing removal of illegal signs, notices and posters anywhere on campus; urges student club advisors reinforce the policy among members of their organizations; and requests that persistent violations by sponsoring student groups be referred to the College Judicial System for investigation; and all other persistent violators to the Office of the Vice President for Administrative Services.
