Re: Graduate Council Policy

Ken, graduate council met a few weeks ago and unanimously passed the following policy, which is a clarification of existing policies that are already imposed in many of our graduate programs, de facto. We are moving this policy to more of a consistent de jure status in the process of continuing to address program quality.

The policy that was adopted by graduate council, and for which we ask for your consideration, appears below:

Any graduate course taken prior to matriculation, either at SUNY Brockport or as an approved transfer course, and to be applied to a Plan of Study prepared in conjunction with a graduate advisor, must carry a grade of “B” or greater in order to be included in a student’s final Plan of Study.

We respectfully request that faculty senate recognize and sanction the policy.

Should you have any questions about this proposal do not hesitate to call upon me at 395-2525.
