NOTES:

See next page for explanation for this request/proposal:
The Health Sciences department stopped offering HLS 210 (2 credit course) as a course for our coaching minor students.

Hence, we are requesting that this 2 credit obligation be retained for the minor as an elective. This credit obligation can be met by taking any course(s) approved by the coordinator of coaching education or by taking any of the following courses (already provided to the Registrar and Department Chairperson):

Following are courses that can meet the 2 hour elective requirements as long as the total number of credits total 2 hours (or more) to meet the 2 hour elective requirement:

1. PEP 255 Tapping for Athletic Training
2. PEP 352 Conditioning Programs in Athletics
3. PEP 276 Softball Officiating
4. PEP 277 Volleyball Officiating
5. PEP 278 Basketball Officiating
6. PEP 279 Football Officiating
7. PEP 379d Athletic Training for the Teacher/Coach
8. CMC 316 Interpersonal Communication in Business and the Professions
9. CMC 201 Public Speaking
10. CMC 202 Principles of Communication
11. CMC 224 Newswriting and Reporting
12. CMC 327 Publication and Web Design
13. HLP 302 Foundation of Health Education
14. HLS 301 Principles of Healthful Living
15. HLS 311 Nutrition
16. PSH 325 Motivation
17. Others with written permission of the Coordinator of Coaching.
To Whom It May Concern,

I am writing this letter in support of the attached proposal for a revision to the coaching minor in the Department of Physical Education and Sport. Given the fact that HLS 210 is no longer offered and students in this minor must now take CPR/FA as a non-credit bearing certification, two additional elective credits are required to fulfill the 18 hour minor.

The courses listed in the proposal fulfill the requirements for the minor and provide adequate flexibility for students to choose an area of interest as it pertains to coaching.

This proposal has my full support. If I can provide any further information, please contact me at speterse@brockport.edu or 395-5341.

Sincerely,

Susan C. Petersen

Subj: Curricular Change  
Coaching Minor – Department of Physical Education and Sport

Please accept this brief memo in support of the proposed change to the coaching minor housed in the Department of Physical Education and Sport. The change simply consists of substituting a list of approved electives for the previous requirement of HLS 210, First Aid and CPR (2 credits). The Department of Health Science no longer offers HLS 210. Students will still need to maintain certifications in first aid and CPR in order to coach, but opportunities to attain the certification are ample (often in the schools where they plan to coach). Offering students a wide range of approved electives related to the coaching enterprise seems a reasonable way to maintain the 18 credit program while allowing students some choice in an area of interest. I support the proposal without reservation. Please contact me if you have any questions.
