

Special Parking

1. Special parking may be granted by PTS in emergencies or under extraordinary circumstances.
2. Admissions lot L is restricted to visitors and guests of the Office of Undergraduate Admissions. An “Admissions” hangtag is required. Campus parking permit holders are not authorized to park in this area at any time. No overnight parking is allowed.

Metered Spaces

1. Meters are available for short-term parking. They are intended for visitors or for those conducting short-term business in an area other than where their permit allows. The pay stations located in lots T and V accommodate all day parking for casual visitors. Visitors using a pay station should display the receipt on the driver’s side dashboard in lieu of a permit.
2. Provided time is shown on the meter. Refer to the map for meter locations.
3. Fee is required from 6 am - 7 pm, Monday - Thursday; and 6 am - 5 pm, Friday. No overnight parking allowed. With a pay station receipt displayed, motorists may park in lots T, V or V1 during the day or lots V1 or X if parking overnight. After 4:30 pm until 2 am, vehicles may be parked in any commuter lot with the receipt displayed. If a meter is malfunctioning, do not park at the meter. Call PTS to report the malfunction and move your car to another location.

Visitor Parking—\$5 per day*

1. Visitors must obtain a \$5 parking pass* from PTS (during business hours) or the pay station if parking on campus 2 am - 7 pm, Monday - Thursday or 2 am - 5 pm, Friday. For casual visitors and events under 10 participants, parking is permitted in any lot except A, C, L (Admissions), and Y with a pass. Meters are also available for visitors with the appropriate fee paid.
2. Visitors staying overnight are required to park in lots X or V1 as designated, Sunday - Friday. Proper permit is required Sunday night - Friday and guests may use receipt from the pay station.
3. A visitor pass request form must be submitted to PTS at least 3 weeks in advance to coordinate parking for groups.

**Admissions’ visitors, parents of enrolled students, attendees of large campus hosted events, and members of various campus advisory boards are exempt from paying the \$5 fee for a daily parking pass. Parents may park in all lots except for lot L with a valid pass. Refer to brockport.edu/parking for more information.*

Loading/Unloading

1. Fifteen-minute areas may be used for this purpose and flashers

must be on. If more than 15 minutes is needed, notify PTS.

2. Permit holders may park in an unauthorized lot for 15 minutes with flashers on, except in lot L.

Motorist Assistance Program

The following services are provided as a courtesy during business hours for:

- Jump starts
- Lock outs
- Lock de-icing
- Tire inflation

Vehicles must be on College property. Response time is 10 – 20 minutes.

Parking for Persons with Disabilities

A valid parking permit and handicapped tag are required and both must be displayed to park in an ADA space. Parking is permissible in any lot regardless of its’ designation. Handicapped permits are issued by local town offices. PTS, in conjunction with Student Health Services, will provide special parking for students with a temporary condition. Medical documentation with an expiration date is required. The permit issued by PTS will be for a maximum of two weeks.

Parking and Transportation Services (PTS) supports the diverse College community by managing assets and providing professional, efficient, and quality services. To provide safe and adequate parking facilities for all who drive on campus, rules and regulations have been established in an effort to create an orderly environment. The guidelines found in this brochure should be read carefully. All persons driving and/or parking on campus are responsible for knowing and understanding these rules and visit website for complete set of rules.

Registration/Use of Permit

1. Year-round all vehicles parked on campus must be registered at www.brockport.edu/support/parking.
2. Permits are issued in hangtag form and must be displayed on the rearview mirror and clearly visible. Contact PTS if no rearview mirror exists.
3. Permits are not transferable from person to person. You may not register a vehicle belonging to or driven by another student, faculty, staff, or affiliate of the College. All employees and students must register their own vehicles and pay the proper fee. Do not lend your pass to anyone. If you have mechanical problems with your primary vehicle, you may transfer the tag to another vehicle, provided they are not an employee, student, or affiliate of the College, and as long as the vehicle has been registered with PTS. Use “My Parking Account” to manage your account.
4. Lost, defaced, or stolen permits must be replaced and reported immediately to PTS. A permit that is reported lost and later found, must be returned to PTS. A replacement fee must be paid; exceptions are listed on website. Charges may be filed for falsifying an official document.
5. A non-refundable registration fee is included in the cost of permits. Refunds for parking fees are based on the College-approved schedule.
6. Should you forget to transfer the hangtag to another properly registered vehicle, stop at the Conrad Welcome Center for a temporary pass. This courtesy will be extended free of charge twice within the semester. After that, a fee may be imposed.
7. Email park@brockport.edu when disposing of a vehicle so that your information can be updated. Remove the permit before disposing of the vehicle to ensure the replacement fee is waived.
8. For summer, winter session, and mid-semester break, parking in any lot (except lot L) is permissible, however parking rules will be enforced in metered, reserved, service, or handicapped spaces.

Overnight Parking

Overnight parking is available in lots C, A (yellow permits), V1, X (red permits), and Y (purple permits) for resident students. Commuters and visitors must obtain an overnight pass from PTS during business hours or from the pay station. Lots V1 or X will be assigned. Pay stations are located in lots T and V.

Winter Parking

Overnight parking largely impacts snow removal operations. No overnight parking is permitted in commuter designated lots*. All vehicles must be removed from commuter lots by 2 am daily. Information on the College snow removal program can be obtained from the Office of Facilities & Planning. Lack of familiarity or failure to comply with these regulations can result in vehicles being ticketed and/or towed at the owner's expense. To allow for proper snow removal, students may be required to move their vehicle from residential parking lots A, C, V1, Y and X to any other parking lot. Notice will be given when vehicles must be moved and when they may be returned to their designated parking lots. If away from campus, students must make advance arrangements for moving their vehicle. Vehicles not in compliance during the emergency snow removal, will be cited.

*Exception: reserved and handicapped spaces

Open Parking/Permits Not Required

Open parking is allowed in all lots, except lots A, C, and Y, and metered areas during the following hours: 7 pm - 2 am, Monday - Thursday; and 5 pm Friday - 2 am Monday. After 4:30 pm, resident permit holders may park in any commuter lot. By 2 am residents must be parked in their designated lot with proper permit. Reserved parking spaces are reserved 24/7.

Towing/Immobilization

1. Vehicles parked on campus in violation of parking regulations may be immobilized, towed, and/or stored at the owner's expense. The College accepts no liability for any damage as a result of this action.
2. Accumulation of five or more unpaid violations may result in such action.
3. Vehicles blocking traffic, blocking fire and emergency lanes, blocking dumpsters, or parked illegally in a handicapped space or a space marked as reserved, will be towed immediately.

Violations/Appeals

1. A vehicle may be subject to a citation, revocation of campus registration, wheel immobilization, and/or tow for the following violations:
 - no permit
 - illegal use of permit

- parking on grassy area
- parking in safety lane
- permit not properly displayed
- parking in unauthorized lot
- blocking crosswalks
- blocking another motor vehicle
- blocking sidewalk
- parking in unauthorized reserved space
- parking in unauthorized lot overnight
- parking in fire lane or emergency zone—\$50 fine
- blocking fire hydrant—\$50 fine
- parking in roadway or driveway
- parking in metered parking space after time expired
- parking in metered space when meter is malfunctioning
- parking in a service area or service drive
- parking in space reserved for handicapped—\$50 fine
- parking in space posted as visitor parking (including Admissions)
- exceed time allowed in 15-minute zone
- parking in violation of temporary snow emergency instructions

Unless otherwise noted, fines for violations are \$25. Second citations issued for the same subsequent violations will result in a \$40 fine.

2. Any person receiving a notice of a parking violation has the right to appeal within a period of 10 business days from the date of issuance. After this time, the right to appeal expires, and all violation charges and/or expenses incurred become automatically due and payable. Appeals are accepted online only. Citation payments may be made via My Parking Account. All decisions are final.
3. Penalty for non-payment of fines: Students may be blocked from receiving College transcripts, grades or registering for courses. Applicable state and municipal laws and College policies also apply and may result in denial of driver's license renewal or vehicle registration renewal with the DMV.

Blue Light & Yellow Box Phones

Emergency phones are installed throughout the campus in high-traffic interior and exterior areas. The phones provide immediate access to the University Police and may be used to report crimes, emergencies, and request escorts. You may also call 395-SAFE for an escort.

Service Vehicle Parking

“Service Vehicle Only” parking locations are available only for College or BASC-owned vehicles.
