Parking Rules and Regulations

I understand I may park only where authorized under the Parking Rules and Regulations of The College at Brockport. In addition, I agree to the following:

- ◆ Persons operating motor vehicles on The College at Brockport campus are responsible for knowing and understanding the rules, regulations, and policies for parking on campus. Ignorance of these rules is neither an excuse nor extenuation for violations.
- ◆ A WinterSession parking permit allows vehicles to park in any lot, with the exception of lot L (Admissions). However, parking rules will still be enforced in metered, reserved, service and handicapped spaces.
- ◆ All vehicles considered to be illegally operated and/or parked will be subject to a charge and/or being towed or immobilized at the driver's expense.

- ◆ A parking permit carries no liability or guarantee that the College will provide the holder with a parking space. The College cannot accept any responsibility for damage or theft of any motor vehicle, or its contents, while parked on campus.
- ◆ A parking permit is non-transferable unless properly registered with Parking and Transportation Services. Note: faculty and staff may register two vehicles for an additional fee; both registrations must be provided, and you must be the only faculty, staff or student member in the family affiliated with the College. Students may register two vehicles but will receive only one permit for both vehicles. Parking privileges may be suspended if permit is shared.
- ◆ The hangtag must be properly displayed from the rearview mirror of vehicle while parked on campus. If a temporary pass is needed, obtain one at the Raye H. Conrad Welcome Center. This courtesy will be extended free of charge twice within the semester.
- ◆ Violations are issued against the parking permit holder. Payroll deduction may be used as a means of collecting past due fines for faculty/staff and a collection agency will be used if deemed appropriate.
- ◆ Refunds are available, however there is a deadline to do so and the permit must be returned. The registration fee is non-refundable. A replacement fee may be assessed for lost or misplaced permits.
