POLICY TITLE: Immunization Policy

OVERVIEW: The College’s immunization requirements and consequences for non-compliance.

OFFICE/DEPARTMENT RESPONSIBLE: Hazen Center for Integrated Care, Health Center

DATE UPDATED: July 2013

IMMUNIZATION REQUIREMENTS:

The College at Brockport policy effective FALL 2011: All students*, regardless of the number of credit hours, are required to submit proof of immunity to measles, mumps and rubella.

All students registered for classes at The College at Brockport** must provide proof of immunity to measles, mumps and rubella, and provide a meningitis response.

Before classes begin, ALL undergraduate and graduate students must submit immunization history to include:
1. Proof of immunity to Measles, Mumps, and Rubella (MMR) and
2. Submit online date of meningitis vaccine or declination of vaccine.

These requirements must be completed before classes begin or the student will be deregistered and not permitted to attend classes. In addition, a hold will be placed on the student’s account and the Registrar will charge a fee to re-register the classes.

Please note:
This revised policy may require previously registered part-time students to now submit immunization information.

For details about specific requirements, obtaining and submitting your immunization records, go to: www.brockport.edu/healthctr/immunications.html.

* Students born before 1957 are exempt
** “The College at Brockport” includes the Metro Center as well as other off-site locations.
